GOLDEN GALA

FEATURING
Journey

WELCOME TO

GG | 40th Anniversary

As Golden Gala celebrates its 40th anniversary of charitable commitment to Tallahassee Memorial HealthCare (TMH), please accept our profound gratitude for your purpose-driven philanthropy.

Your gifts, your leadership and active participation inform the TMH mission, "Transforming Care. Advancing Health. Improving Lives." and illuminates its vision, "To be known as the most engaged and supportive organization in America."

Concert Journey

Salute to Donors

Thank you for helping us celebrate the 40th anniversary of the TMH Golden Gala with Journey, one of the best-selling bands in history. As much as this is a celebration of the gala, it's also a celebration of you, our supporters, and all we have accomplished together to transform care, advance health and improve lives.

By attending the gala, not only are you guaranteed a great time with world-class entertainment, but you are also helping support a critical area of healthcare in our community. This year proceeds will benefit Tallahassee Memorial's Emergency Services — specifically the Bixler Trauma and Emergency Center, the region's only Level II Trauma Center.

You may not be aware of this, but nearly two-thirds of all Leon County EMS patients are transported to TMH, and all patients in the area requiring care for traumatic injury are transported to Bixler, located on our main campus. Here are a few other facts:

- TMH fielded more than 140,000 emergency and urgent care center visits last year;
- Our emergency departments handle an average of six stroke alerts each day, an increase of 400% over the prior five years;

Sincerely,

G. Mark O'Bryant

*President & CEO
Tallahassee Memorial HealthCare*

Nigel E. Allen

*President & Chief Advancement Officer
Tallahassee Memorial HealthCare Foundation*

- Bixler and the Emergency Center Northeast cared for nearly 16,000 pediatric patients.

As the healthcare system with our region's most comprehensive emergency services, we have a special duty to care for our community — and we thank you for helping us do just that. Through your attendance at this year's Golden Gala, you are supporting all these services and, most importantly, the patients who need them.

You never know when you or a loved one may need the services of an emergency department, but it is comforting to know TMH provides the best care in our community, filled with highly skilled physicians, nurses, technicians and other clinical teams, working to ensure the best medical care possible. We couldn't provide this level of care without this talented team. That, plus your support, helps to make their work possible.

We hope you enjoy the gala and look forward to working with you in the year ahead as we continue to improve our region's health and provide compassionate, state-of-the-art care to our community.

Emergency Services

at Tallahassee Memorial HealthCare

As an attendee of the TMH Golden Gala, you will experience more than just great entertainment — you will support the programs and services of Tallahassee Memorial HealthCare, the largest community based, not-for-profit healthcare system in our region. This year's gala proceeds will benefit the Bixler Trauma and Emergency Center and the patients it serves.

TMH is home to the most comprehensive emergency and urgent care system in the Big Bend, giving people of our region access to the area's only Level II Trauma Center, a Children's Emergency Center and three urgent care centers for minor injuries and illnesses.

In addition to being a Level II Trauma Center, Bixler is also North Florida's only Comprehensive Stroke Center and is designated as a Chest Pain Center with PCI (Percutaneous Coronary Intervention) — the highest designation available for heart attack care.

Over the years, TMH has expanded its urgent care and emergency services to improve access to high-quality care throughout our community. Our network of emergency and urgent care centers in Tallahassee now includes:

The Bixler Trauma and Emergency Center
1300 Miccosukee Rd.

Emergency Center – Northeast
1260 Metropolitan Blvd.

Tallahassee Memorial Urgent Care Center
1541 Medical Dr.

Tallahassee Memorial Urgent Care Center in Southwood

3900 Esplanade Way

Tallahassee Memorial Urgent Care Center on Tennessee Street

410 W. Tennessee St. (Our newest location)

Thank you for celebrating the 40th anniversary of the TMH Golden Gala with us and helping us to save lives.

A Full Bar will be available in the Dining Rooms

Tito's®

HANDMADE  VODKA

The TMH Foundation would like to give a well deserved
Thank You to Tito's Vodka
for providing our specialty cocktail of the evening.

Introducing Journey

Thank you for helping us celebrate the 40th anniversary of the TMH Golden Gala with Journey, one of the best-selling rock-and-roll bands in history with more than 100 million records sold worldwide.

The group earned 25 gold and platinum albums, in addition to the 15-time platinum RIAA Diamond Certified, 1988 Greatest Hits album. The band also had 19 top-40 singles, six of which reached the top 10 in the United States. This year Journey, with lead vocalist Arnel Pineda, continues its 50th Anniversary Freedom Tour, visiting 30 cities across the U.S. and Canada.

In 1973, Journey came together in San Francisco, growing to become one of the best-known arena rock bands in the country. Since then, the band has gone through several changes, with guitarist Neal Schon staying on through each iteration. Regardless of its composition, the band has demonstrated continued popularity and staying power, having sold 47 million albums in the US, and is consistently named one of the 10 best American rock bands in history. Their current line-up with lead singer Arnel Pineda has given them an even larger worldwide audience.
